**Investment Objective**

The Fidelity Balanced Trust (“The Trust”) is an open-ended Unit Trust that will invest primarily in Equity Securities and Fixed Income Securities. The Trust has an objective of preserving and enhancing unit holder’s wealth to meet medium to long term financial goals while at the same time creating liquidity to meet immediate needs of the unit holders.

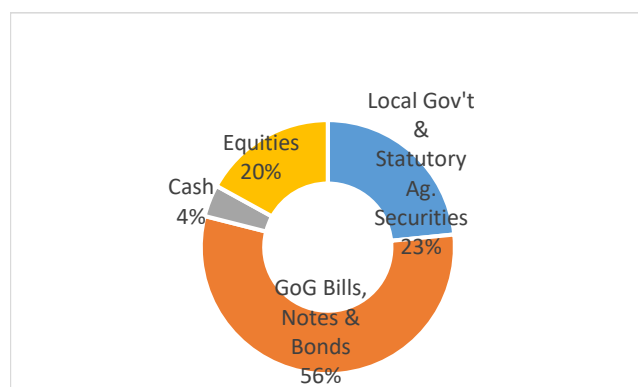

**Portfolio Strategy**

The Unit Trust invests in suitable mix of equities and fixed income securities to achieve its investment objective. The mix may be varied periodically as the Manager consistently looks out for lucrative opportunities in different asset classes, based on the macroeconomic environment and the market cycle. This dynamic approach to asset allocation will maximize the potential in achieving the return objective of the Trust.
